This term has been busy but exciting. We kicked off the term by designing and painting Mother’s Day gifts, wrote similes to make our mums smile and designed a repeating pattern for our wrapping paper. In Week 6 we took a look into local history on our Year 2 excursion. The lady at the Roebourne Museum told us lots about the area. We saw Captain Active zoom into our school to make sure we are keeping healthy. There has been so much learning taking place it is hard to mention everything, so check out our pictures.
In HASS this semester we have been learning about significant days that are celebrated or commemorated in Australia. These important days include Australia Day, Harmony Day, Remembrance Day and National Sorry Day. We have also been investigating the location of Australia’s states, territories and capital cities and the importance of emblems and symbols. Through our studies we examined the symbolism of the Australian, Aboriginal and Torres Strait Islander flags and had a go at designing a new Australian Flag!
