Class 9 and 10 have been learning about procedures in writing. We want to capture an alien but first we have to decide whether they are real or not. Some of us believe they are real, some of us do not, and some of us are fence sitters. What do you think???

Class 9 & 10 Teachers: Ms Benge and Mr Anderson
How to Catch an Alien

The Egyptian gods are aliens from a region in outer space near Orion's Belt.

Viking, Roman and Greek gods are all the same. They are not gods, but aliens.
