Welcome to Year 4/5

The 5 Steps of Behaviour Management
1. Verbal Warning
2. Name on board
3. In class time out (the student will work at the consideration desk and reflect upon their behaviour)
4. Buddy class
5. Office

In the case of extreme or dangerous behaviour, students can be escalated to step 5 immediately.

Homework
Homework will be given out on Monday to be due back on Friday. This includes a mathematics, spelling and reading component. It is important that all aspects on homework are completed on time. If this is not possible due to extenuating circumstances, please make a note in the homework book. The completion of homework is being recorded and a reward will be given to the students who continuously complete their homework at the end of the term.

Positive Behaviour Support
Baynton West uses the behaviour system Positive Behaviour Support. PBS is also based around 4 core values:
1. Be resilient
2. Be your best
3. Be safe
4. Be responsible

FiSH Philosophy
At Baynton West Primary School we implement the FiSH Philosophy into our classrooms. This is based around four key beliefs that underpin our school culture:
1. Choose your attitude
2. Be there
3. Make their day
4. Play

FiSH Tokens are handed out during class and on breaks to students who display this school culture which can be chosen out of the lucky dip at assembly for a prize. A FiSH certificate is also given to a student from each class on alternate assemblies.

Times, Absences and Late Notes
Our classroom doors open at 8:05 when students will begin their morning routines with the school day starting at 8:20. Any students arriving after this time will be required to get a late note from the front office. If you need to collect your child from class for appointments, please sign them out of the office before coming to class to collect them.

If your child is absent please ensure you notify your class teacher or the school office as soon as possible.

The time before school is for us to spend with the students. If you have any questions or queries, please don’t hesitate to see us after school or book a meeting with us.

Birthdays
Birthday celebrations are welcome in our classes, but please be conscious that some students have severe food allergies. Nuts are banned from school grounds, inclusive of peanut butter and Nutella. If you have any questions feel free to come and see us for the current class numbers or other inquiries.
Canteen
The canteen is open each day. Orders can be placed online via www.ouronlinecanteen.com.au

Sun Safety
Just a reminder that Baynton West is a sun smart school and hats must be worn at recess and lunch and during sport or fitness. Anyone without a hat will not be able to participate and must sit out. Sunscreen is also available in classes for students wishing to use some.

Crunch and Sip
Crunch and Sip is held every morning before recess. Students can eat unpackaged fruit or vegetables and drink water during this time.

Faction Fridays
On Fridays students are welcome to wear their faction coloured shirts.

Senior Sport
On Friday after lunch, all students in year 4, 5 or 6 will be participating in Senior Sport. This term the sports will be directly related to the Winter Carnival and will change accordingly as the year goes.

YEAR 4/5
Rooms 7, 8, 13, 17, 18
