Dear Parents/Caregivers

We will be having an information night for all parents/caregivers of the Year 4/5s on Monday 22 February. The information session will be held at 6pm in the library. We would encourage you to attend as we will be discussing relevant information regarding your child’s class this year.

If you are unable to make it to the session there will be an information booklet that we will send home with your child that will outline what has been discussed.

Kind regards
