2 March 2016

Dear Parents/Caregivers

Room 18 will be running the senior assembly on Wednesday March 16 (Week 7) of this term. In class we have been learning about characterisation and the students have decided that they would like an assembly item that focuses on various well-known characters.

Through class discussions, the students have come up with the characters that they would like to perform as on the day. We have spoken about costumes and the students have been asked to choose a character that they know they would be able to dress as without it being too much of a hassle!

Your child’s character for the assembly is ________________. They will need to come dressed as this character on the morning of our assembly. Please ensure they bring a school uniform with them on the day for them to change into afterwards.

If you have any queries regarding the assembly or your child’s costume, please do not hesitate to ask.

Kind Regards

Kimberley Bassan
