Dear Parents and Carers,

Starting in week 2, students in Room 1 will be required to do Show and Tell or News once a week. Students can choose to ‘show’ something or ‘tell’ something that is important to them.

Show and Tell is a great way for students to develop their speaking and listening skills as students learn to speak with purpose and meaning while also developing their questioning skills.

Students will be given 2 minutes to speak with the chance to answer 3 questions from their listeners when the time is up.

I will have the schedule up in class and I will upload it on connect for your information.

Regards,

Mrs Danielle Nolan
Year 1 Teacher
