Culture Day

Dear Parent/Caregivers

On Friday 3 June, Week 6 all students from Kindy to Year 6 are participating in a school culture day. This day is designed to celebrate and reinforce our school culture.

As part of the celebrations all students are encouraged to dress up as a fish so we can become a school of fish.

To start the celebration there will be a whole school assembly happening at 11am. Each class has a chance to show off their dress-ups and the whole school will perform our latest community song, led by the Baynton West dance troupe.

From 11.40 to 12.50pm, the classes will be matched up together as a junior class with a senior class. Together they will complete two activities, an art activity and a team building activity.

Finally parents are invited to join their child for a shared lunch on the school grounds at lunch time 12.55 – 1.25pm.

Yours Sincerely

Ellen Grochowski
