Dear Families

RE: Year 4/5 Inflatable Squash Incursion

On Tuesday 26 July, students from Year 4 and 5 will be involved in a Squash Incursion.

Our school has been invited to participate in the 2016 ‘Smarter than Smoking’ School Squash programs coordinated by WA Squash. These introductory programs are aimed at exposing children to the game of squash and provide them with a possible alternative sporting option. Each Year 4/5 class will participate in a one hour session with a qualified Level One coach.

8.20- 9.20 Room 8
9.20- 10.20 Room 7
10.45- 11.45 Room 17
11.45- 12.45 Room 18
1.25- 2.25 Room 13

The cost of the incursion is $2.50 per student (cash payment only with correct change if possible) and the permission slip will need to be signed by a parent/guardian and returned to school.

Kind regards

Kayla Cross and Kelly Langlands
Health and Physical Education Coordinators
