

Dear Parents/Caregivers

We have had a wonderful start to the year, the children have settled into Pre-Primary fantastically. Please ensure children are unpacking their own bags in the morning to build their independence. The children are to come inside place their lunch box in the fridge, their water bottle on the trolley and practise writing their name. Once they have completed practising their name they may read a book or do a puzzle on the mat.

In the mornings, I will be reading with children on a weekly schedule. Below is your child's reading day. For morning reading the children are to bring their homework folders to me to read the story they have been reading at home. It is a time for me to practise reading skills with the children and practise their sounds.

We are very lucky this term to have our assembly in Week 8 on the 22 March. The children have a speaking part which is attached, could you please practice with your child so they feel confident on the day of the assembly. We will be sharing the poem Wombat Jumped over the Moon by Lachlan Creagh and singing the song 'Reach up for the stars by S-Club 7'

Your child is to dress as a _____ on the 22 March.

If you have any questions or can offer a helping hand, please come and see me.

Kind Regards
