This free presentation is designed for parents and professionals interested in the area of literacy learning difficulties and learning disabilities and provide some preliminary answers to the following questions:

- What does current research tell us about reading acquisition?
- Why do some children struggle with reading and writing?
- What is a learning disability?
- What is dyslexia?
- What are the causes?
- What can we do about it?
- How important is the school / home partnership

Presenter: Kim Bloor, BA (Hons), MPsych (Ed. & Dev.), Dip. Ed, (Spec. Ed.).
Kim is a Psychologist at DSF Literacy and Clinical Services where she assesses children, teenagers, and adults with learning difficulties and disabilities. She also consults with parents on appropriate evidence-based classroom and individual strategies to improve literacy and numeracy.

Where: Baynton West Primary School- Library
2 Marniyarra Loop, Baynton

Date: Thursday 16 March 2017
