

PERMISSION NOTE

ZEEKO

Ocean, Air and Earth Presented by Musica Viva In Schools.

Musica Viva has been bringing premium quality live music to Australian schools for over 35 years. We specialize in presenting the best small ensembles Australia has to offer – dynamic, accessible and culturally diverse groups that perform in a wide variety of music styles.

Over the course of an hour, the musicians of Zeeko transport students on a journey across the earth's ecosystem. This eclectic rock band – with male and female voices, guitar, bass and percussion – compose original songs about fast food, golden frogs and the deep ocean, with influences ranging from bluegrass, the Caribbean, jazz and ambient music. With glass bottles, squeaky toys and body percussion, students are able to engage their own creativity to explore a fundamental message: nature is calling to us, and it's time to listen.

This performance is part of your school's learning program and builds on preparatory work done in the classroom utilising Zeeko resource kit. The kit's teaching resources are linked directly to the music curriculum as well as other curriculum areas especially literacy and numeracy. We would be delighted if you could come to the performance. There is no charge for parents/guardians and community members to attend.
