

Art Club Information Note for Families

Dear Parents/ Caregivers,

We are pleased to inform you of the following events that are taking place at Baynton West Primary School during Week Three of Term Three for students in the Art Club.

On Wednesday 2 August 2017 we will be presenting our Art assembly to the school. Many students from the Art Club chose to take part in this assembly. Majority of our students opted to have a speaking part, if so; you will find their speaking part attached to this information note. Please assist your child in practising their part at home. If your child did not choose a speaking part they may have indicated that they would still like to take part in the assembly by assisting those who are speaking. If this is the case we would ask the following: All Art Club students in the assembly will be required to meet Mrs. Lucev and Mrs. Saffro in the undercover area at 7.55am, on Wednesday 2 August 2017. It is essential that they go to their classroom prior to the assembly to drop off their belongings. All students must be wearing school uniform; however, for the purpose of the assembly we would like each child to wear a bright, single coloured t-shirt (a colour of the rainbow). Please bring their regular school shirt, so that they may change after the assembly.

On Friday 4 August 2017 all members of the Art Club will be invited to take part in a special Arts program. We are excited to inform you that two Artists will be working with our students for Art sessions throughout the day. One of these Artists is: **Shana Dean from *Heart Weaving*** the other is **Tricia Stedman from *Arty Brellas***. They will be running several workshops with small groups of students from the Art Club. To assist with the running of this day we are looking for parental volunteers. If you are able to assist with the running of this day, even if just for an hour please notify Mrs. Lucev or Mrs. Saffro. In addition we are looking for donations of several materials:

Baynton West
PRIMARY SCHOOL

- Plastic table cloths.
- Old fishing nets.
- Plastic materials that may be cut into strips for weaving.
- Two litre milk bottles (clean) with the labels removed.

A selection of students will be involved in a drawing session on this day. For this we ask your child brings in three items of personal significance to them - a family photograph, a special item (this could be a toy, seashell, etc.) and something that may represent a hobby. If this is not possible we will have a selection of other items that can be drawn. Your child's involvement in this activity will be indicated at the end of this note.

Speaking part in the Art Assembly: **yes/ no**

Non-speaking part in the Art Assembly: **yes/ no**

Drawing session: **yes/ no** (please bring in three personal items on Friday 4 August 2017)

Weaving session; **yes/ no**

We look forward to working with your child on these special events. Many thanks in advance for your assistance and support with these activities. If you have any questions please feel free to contact Mrs. Lucev or Mrs. Saffro on 08 9185 3001 or via email.

Kind Regards,

Mrs Michelle Lucev and Mrs Simone Saffro
