

Dear Parents/Caregivers

Please be aware that STEM Girlz and STEMovations will begin from Week 3. The first before and after school programs will run from Monday 31 July.

All communication regarding the STEM programs will be through the school app and the Facebook page. The app can be downloaded for free from iTunes or Google Play store.

If any information regarding involvement or how your child's travelling home after the STEMovations program, please contact Katrina Copping or myself.

Regards,

Toni Whitbread  
Deputy Principal  
Baynton West Primary School
