

Dear Parents and Guardians,

This term C8 will have a restructure of homework. We will now do as follows;

- Spelling list words- students are to complete Look Say Cover Write Check (LSCWC) with their words every night and complete a list of activities over the week.
- Nightly reading- home reading books will be sent home every night and students are to read out aloud a few pages. Please sign the night reader sheet and write the pages read.
- Maths- will be completed through Mathletics. Mathletics is an online program that the teacher is able to set individual tasks suited to their ability. Login's and passwords have already been sent home last term, if you need a new one please ask and I will send one home. New students will be given one to take home.

Spelling lists and list of activities will be available via Connect page on Monday afternoons. Students that do not have access to computers or internet will be given a paper copy.

Homework will be checked on Friday's and the Homework reward will be available to those students that complete the 6 out of 8 weeks of this term (week 9 doesn't count due to camp).

If you have any concerns about the homework please feel free to contact myself via email at [Kevina.Willcocks@education.wa.edu.au](mailto:Kevina.Willcocks@education.wa.edu.au)
