

Baynton West
PRIMARY SCHOOL

Dear Parents/ Guardians,

On the 18 October (Term Four) ECE5 will be performing at the Junior Assembly. We have been practising our assembly items in class, but to help get the students ready, can you please help your child practise at home. Each child will have a speaking part that they will say with a partner. As the students are still developing their reading skills, it would be great if they could memorise this for the day.

We would love for the students to dress up on the day. Each student has chosen what animal they would like to dress up as for our assembly. If you have any issues related to the costume, please let me know.

Attached are the words to each assembly item, your child's speaking part, and the animal they are to dress as on the day.

Sincerely

Talya Everett
Classroom Teacher
