

Dear Parents/Caregivers

Our class Assembly is on Wednesday 7 March. Our item is called "Winter Olympic Freeze Frame".

We have been learning about the Winter Olympics and the importance of teamwork. The children have worked together to create Freeze Frames of iconic sporting moments in Winter Olympic history. They are so excited to share their work with you.

As the children are representing different sports, they will require a variety of different costumes. See below for your child's group.

- Ice Hockey
- Bob Sled
- Snowboarding
- Speed Skating

Keep it simple! Helmets, snorkel goggles, leggings etc will all work very well.

We will be having a prop making session on Tuesday 27 February between 10:45am and 12:45pm, where we will make ice hockey sticks, a bob sled, snow boards and skates.

We would love your help if you are available to come in. Also, any donation of large cardboard packing boxes and Stanley knives for the day would be greatly appreciated. Add your name to the sheet on the classroom noticeboard.

Sincerely

Mrs Melissa Blechynden

C15 Classroom Teacher
