

Dear Parents/Caregivers,

During the parent evening I was asked the best procedure to make an appointment to meet with me after school. The best course of action to meet about your child will be either to ask at the office or to send an email to the school email address, which is; bayntonwest.ps@education.wa.edu.au. I can then make the appointment. Please feel free to make an appointment for any time after school except Thursdays as this is a whole school staff meeting.

Kind regards,

Henry Johnston
