

Hello Everyone,

Welcome to Kindy ECE 2.

We are looking forward to working together throughout 2018. For most children, Kindy is the first year of formal education outside the home and family environment, so it is a big occasion for children and parents alike.

WE LIKE TO HAVE LOTS OF FUN!!

In ECE 2, we will run a play based programme with free and structured activities set up for the children to gather information, learn new skills and practise old ones. Play will enable the children to explore their world and express their thoughts and feelings.

Socialization is another very important area of learning at Kindy. We will focus on the children getting along with others and using appropriate social interactions. Many lifelong friendships are formed at school beginning at Kindy.

The foundations of literacy and numeracy underpin all areas of instruction. Baynton West Primary School has clear targets for all children to achieve each term. To that end, **EVERY DAY IS IMPORTANT**. Please ensure that children are at school at 8.05am ready to begin Literacy and Numeracy activities. We value your participation and involvement at this time and ask you to stay and spend some time completing these tasks and settling the children before you say goodbye when the bell goes.

We are excited about the year ahead and encourage you all to be actively involved in our classroom.

Looking forward to getting to know you and your families, so we can give your child the best possible start to their schooling.

Mrs Sheryl Delaporte and Mrs Tracy Hunter.
