

PRE-PRIMARY DENTAL SCREENING NOTIFICATION

It's approaching that time of year again where our Dental Therapy team will be visiting your child's school to screen Pre-Primaries, Year 3's, Year 6's and any new or outstanding patients.

Pre-Primary screening will take place on March 15th.

For those unfamiliar with the screening process – it is simply a growth and development check by our Dental Officer.

It is a legal requirement to screen new patients, (and every 3-4 years in between), prior to receiving any treatment through School Dental Services.

Please note that dental screening is a very quick non-intrusive process and is not a dental examination.

During the screen, children are lined up and simply need to bite together. The process takes approximately 5-10 seconds per child.

The School Dental Service does not require parents to be present or consent to dental Screening. However, if you wish to opt your child out of dental screening, please contact the clinic immediately to advise.

If you have any queries regarding dental screening, please contact the clinic on 9183 8172 (Tuesdays and Wednesdays 7:30am-3:30pm).

Warmest regards, School Dental Therapy Staff
