MISS TEAGAN PITMAN

FISH PHILOSOPHY

At Baynton West Primary School we implement the FiSH! Philosophy into our classrooms. This is based around four key beliefs that underpin our school culture:

- 1. Choose your attitude**
- 2. Be there**
- 3. Make their day**
- 4. Play**

We have discussed these during class and created posters around these philosophies. FiSH! tokens are handed during class and on breaks to students who display the school culture which can be chosen out of the lucky dip at assembly for a prize. A FiSH! certificate is also given to a student from each class during alternative assemblies on a Wednesday.

POSITIVE BEHAVIOUR STRATEGIES

A behaviour system used to reward positive actions is Positive Behaviour Support. PBS is also based around 4 core behaviours:

- 1. Be resilient**
- 2. Be your best**
- 3. Be safe**
- 4. Be responsible**

MORNING ROUTINE/PARENT HELP

Between 8:05 and 8:20, once students have unpacked their bags they are required to be reading for Monday, Wednesday and Friday. On Tuesday and Thursday they complete Maths activities. If you are free during this time, we would love your help to listen to students read and complete Maths. If you are able to help, please place your name on your child's class roster. Please be aware that you won't always be listening to your child read.

THE 5 STEPS BEHAVIOUR MANAGEMENT PLAN

1. Verbal warning
2. Name on board
3. In class time out (the student will work at the consideration desk and reflect upon their behaviour).
4. Buddy class
5. Office

In the case of extreme or dangerous behaviour, students can be sent to step 5 immediately.

Positive Reinforcements in our classes are

Lots of praise, raffle draws, FiSH! tokens, PBS tokens

HOMework

Homework will be given out on Monday and will need to be completed by Friday. It will consist of home reading, sight words and Maths. The children will also be bringing home a Letters and Sounds mat to practise.

Home reading will be sent home Monday to Friday. Students are to read a book each night and change their home readers as required. Please complete the Reading Log book.

Maths activities will be based on concepts covered in class and will be targeted to your child's needs.

The completion of homework is being recorded and a reward will be given to the students who continuously complete their homework at the end of the term.

TIMES, ABSENCES AND LATE NOTES

Our classroom doors open at 8:05 when students will begin their morning routines with the school day starting at 8:20. Any students arriving after this time will be required to get a late note from the front office. If you need to collect your child from the class for appointments, please sign them out of the office before coming to class to collect them. If your child is absent, please let the school know or you are able to use the school APP to record your child's absence.

The time before school is for us to spend with the students, reading and building relationships. We are not able to speak with you in depth at this time. If you have any questions or queries, please don't hesitate to see us after school or book a time.

BIRTHDAYS

Birthday celebrations are welcome in our classes, but please be conscious that some students have severe food allergies. We are a nut free school, inclusive of peanut butter and Nutella.

If you are bringing a cake we would prefer cupcakes rather than full cakes.

CANTEEN

The canteen is open every day. Orders can be made online.

CRUNCH AND SIP

Baynton West Primary School is a Crunch and Sip School. Students are encouraged to bring in fresh fruit and vegetables. If your child has juicy fruit, a spoon to eat it with is recommended. Please keep the pieces of fruit small as they only have a limited time to eat.

PARENT MEETINGS

If you have any queries or concerns and would like to have an interview with your child's classroom teacher please book a time that suits everyone.

MEDICATION

Any medication that your child requires needs to be taken to the front office.

SCHOOL APP

We have a school APP that you are able to download from the APP store of Google play and receive alerts for important information and events happening within the school.
