

Dear Parents/Caregivers

This week during our STEM lessons, students have been designing an Easter-themed bonnet which they will then be building next week (week 9). Teachers will be supplying students with craft materials such as coloured paper/card, feathers, glitter, collage materials, etc. Students are invited to bring in any additional materials from home that they would like to use to build their bonnets.

All Year 3 classes will be holding a joint Easter bonnet parade on Thursday 29 March at 1:30pm (location to be advised). Parents are welcome to attend the parade.

If you have any questions or concerns please come and see us.

Kind regards,

Mrs Leesa Smith, Mrs Sanet Maasdam, Mrs Wendy Bow, Mrs Beth Foster.
