

Dear Parents / Caregivers,

ECE 3 are leading the Junior Assembly in week 5, on Wednesday morning 30 May. Children and staff would love to see you all there!

Please send the students to school in their regular school uniform shorts or skirts, but in a plain black or white t-shirt/top if possible. If you cannot access a black or white top, regular school uniform shirts will be fine.

If your child was keen to have a speaking part, we have tried to accommodate this in our performance. Speaking parts will be sent home for daily practice between now and our Assembly.

Please find attached the words to our 'Number Line Song'. Please help your child practice this.

We would appreciate the students arriving no later than 8.00am on our performance morning. It is very important we are on stage and ready by 8.15am. Parents and caregivers will not be invited into the classroom that morning.

Many thanks for your support for this exciting event!
