

Dear Parents/Caregivers

It is ECE sports carnival time again. The students will participate in a number of rotational activities in their factions. The activities include running races, vortex throws, relay races and many more. They will rotate through 8 different activities throughout the session and will finish with a running race. Parents are welcome to follow their child's group around during the rotations and then move to the designated area for the running race. The students are allowed to dress up in their faction shirts and colours. If you are unsure of what faction your child is in please see your classroom teacher.

Date: Week 7 31 August
