

## From Your P&C

WOW! What a busy few weeks. Firstly the P&C would like to send out an absolutely massive thank you to everyone that has volunteered their time and support over the last few weeks. Without your help and support we could not have achieved all the wonderful things we have, so thank you!

The Colour Fun Run was a huge success and it was fantastic to see so much of our school community participate. We would like to congratulate ECE 5 who had the highest number of pre-registered runners, beating C6 by only 0.2%. We hope you enjoyed your Subway Lunch last Friday.

We would also like to congratulate the winners of the Family Movie passes. These are for 2 adults and 2 children and are able to be used for a movie of your choice at the Red Earth Arts Precinct.

# Thank You!

We think everyone can agree FeNaCING was brilliant as always. This year the P&C held a drinks stall. Not only was the P&C drink stall a great fundraiser for the P&C, we were able to sell a large number of raffle tickets for our year 6 Canberra camp car raffle. The raffle was drawn on the main stage on the last night of FeNaCING. The winner was Samorn. Congratulations Samorn we hope you are enjoying your new car.

The float parade was another fantastic event. It was wonderful to again this year see so many members of our school community all dressed up, walking proudly with our school float. All the hard work and dedication from Megan Wood-Hill and everyone who volunteered their time and assistance paid off. Our float won first prize in the highly competitive best school category! Well Done!

If you haven't had an opportunity to volunteer to help our wonderful school community yet, don't worry, the P&C will be looking for volunteers to assist with food service at the upcoming BWPS performance showcase. It is loads of fun and only a little bit of your time means so much to us. If you aren't able to volunteer at an event, our school canteen would love more volunteers and our school uniform shop is looking for volunteers on a Monday morning.

Our next P&C meeting will be held next Tuesday the 21st of August at 7pm, everyone is welcome to attend, come along and be part of the force driving our school P&C!
