

Dear Parents/Caregivers,

This year STEM Club will be running on a Tuesday morning from 7:30-8:05 with Miss Clarke.

Students in Year 3 who are interested in developing their skills in STEM and robotics and coding are asked to enter their expression of interest (EOI) to take part in STEM Club.

A letter regarding places in the STEM Club will be sent home Monday 15 February and the program will kick off Tuesday 16 February (Week 3) at 7:30am in C3.

(If a wait list is created you will also be notified via a letter home on Monday 15 February)

Regular attendance is required to keep the position in the program or it will be passed to someone on the waiting list.

***Please fill out and return the EOI to the office before Friday 12 February (Week 2) to be considered for a place in the program.***

Kind Regards,

Tamara Clarke  
Classroom Teacher  
Baynton West Primary School

STEM Club Expression of Interest  
Semester 1 2021

I would like my son/daughter \_\_\_\_\_  
from class \_\_\_\_\_ to participate in STEM Club for Semester 1.

I understand that this program is run before school, beginning at 7:30 and regular attendance is required to keep a position in the program and that I will be notified if selected.

Name: \_\_\_\_\_

Signed: \_\_\_\_\_
