

Baynton West
PRIMARY SCHOOL

Dear Parents/Caregivers

Due to the wonderful response to our Student Librarian meeting held on Tuesday morning we have decided to cap our numbers at 15 Student Librarians per term and we are accepting interested students from years 1-6. This provides more students the opportunity to become a Student Librarian in the coming terms.

The first 15 permission slips returned will be accepted for our term 1 Student Librarian program. We will run another program in Term 2 and will roll over students who miss out on a place this term.

Student librarians who receive a place will receive an acceptance letter in week 3 prior to Friday.

A mini training session will be held for the students that have been accepted and a roster will be made for recess and lunch times, with an option of preferred days and times for the students to choose from, so then this way it won't affect any other programs that your child may have already signed up for within the school.

I would like to take this opportunity to thank our students for signing up to become a Student Librarian as this is a very important role within our library.

Mrs Belinda Bingham
Library Officer
Baynton West Primary School
